*"Kind words are like honey, sweet to the soul
and healthy for the body."*

-Proverbs 16:24

Dear Parents

Winnie the Pooh's lesson for this month is:

Sometimes You Need to Take Action

"You can't stay in your corner of the forest waiting for others to come to you. You have to go to them sometimes."

There is a time to wait and then there comes a time to take action. Taking action is the best way to shatter feelings of self-doubt. The more action you take, the more the route forward becomes clearer.

In His love,

Ms. Carissa
Director

What's Growing?

Fall is a great time to visit local farms that offer apple and pumpkin picking, hayrides and corn mazes. Children can connect to local farmers through fun activities that highlight the season's best produce. [Click here to find a local farm to visit.](#)

Basket of Love

We have started a "Basket of Love" campaign for our teachers to acknowledge all their hard work and dedication. Every Thursday, we are hoping that a family will bring in a basket full of individually wrapped items (i.e. granola bars, muffins, candy bars etc.). If your family would like to participate, you can [click here](#) to schedule a Thursday to bring a basket in. Feel free to contact the Academy office for more information.
